About NetApp

In a world full of generalists, NetApp is a specialist. We're focused on one thing, helping your business get the most out of your data. NetApp brings the enterprise-grade data services you rely on into the cloud, and the simple flexibility of cloud into the data center. Our industry-leading solutions work across diverse customer environments and the world's biggest public clouds. As a cloud-led, data-centric software company, only NetApp can help build your unique data fabric, simplify, and connect your cloud, and securely deliver the right data, services, and applications to the right people—anytime, anywhere.

This letter is valid for a period of 90 days commencing from the date of this Partner Certification Letter.

Sincerely,
NetApp Partner Program Team

James McGowan
